“ My thoughts and prayers go out to the Kaplan family. I've known Naomi as well as her family for about 27 years. I've had many memories of doing manicures and pedicures with her, Bob and Diana. Her love and devotion to her family and grandchildren were her first priority. But she also extended to those that were close to her as well. She was always kind and giving and loved to share with her wonderful gift of cooking and baking. I thank you Naomi for being such a great client, friend and so caring to me. May you rest in peace

“ I remember Naomi as being a wonderful lady who really cared about her family. I worked with Naomi at Prudential. One thing we had in common was good food. She made fantastic hand made egg rolls. What I made was a cheese cake the she really enjoyed. On many occasions we would make our favorites and exchange them during holidays.  
I say to her family, I send my condolences.
