“ *Baby Brother,
Words can't begin to describe how much I love and miss you. Your contagious smile and laughter is forever in my heart. We were fortunate enough to have you for a while in our lives, but "some birds aren't meant to be caged. Their feathers too bright and their songs too sweet and wild". I will forever miss you until we meet again-please greet me at the rainbow bridge with all of our animal friends.*

Love always and forever,

Your bigger little sister Elikem
