“ My deepest sympathy to my ex-Brother-In-Law for passing way too soon in life. Nick was a wonderful individual and meant a great deal to my children. He was always there to insure his nieces and nephews knew how much he loved them. It was a privilege to know him and have loved him and be part of his life for many years. I look forward to seeing him again in heaven along with his father Nick Cenaiko Sr. With a great hole in my heart, I love you and will forever miss you.

“ Sending sympathy and prayers for comfort to the Cenaiko family. Nick was one of the good guys and will never be forgotten by anyone that knew him. He was one of the kindest and most genuine people that I have ever met. We will remember him for the the wonderful, kind and caring person that he was.
