“ *I have known Nick and Chris and the rest of the wondmoder Moulder family for a very long time. I Remember Nick as a energetic and a funny young kid. When Nick became a young man old enough to hang out, he was great to be around. We would sit and talk about the military, fishing, old Minnesota trips on the river. He was so easy to talk to because he was the most down to earth real person that was not fake. Nick was Nick. Good hearted and always love to be the person that would be the peace maker and protector. He will always be in my mind and heart. I miss you buddy this is "B"*
