

Nicholas Stockwell

March 26, 2008

Stockwell, Nicholas "Nick" Passed away peacefully with his family surrounding him Sunday, March 23, 2008 after a brief but very courageous battle with Acute Myelogenous Leukemia. He was greeted in Heaven by his son, Andrew, who died in 2005 at the age of 13. He is survived by his wife, Marlene McEwan; his two wonderful daughters, Bonnie (Ron Eder) and Kelly (Eric Hanson); his stepsons, Mitch Swaggert (Molly) and Nick Swaggert; his parents, Ronald and Trixie Stockwell; his sister, Jenny Ferguson (Dan); 6 beautiful grandchildren, Kendall, Kelsey, Claire and Courtney Eder, and Lauren and Carter Hanson. Nick was born on Christmas Eve, 1946 in London, England; his schooling and work took him many places, including Mexico, Canada, undergraduate studies at MIT and an MBA at the University of Chicago, yet finally settling in 1974 in Minnesota. While he very much enjoyed his time with his family, his work was often his passion and he was never far from his laptop or phone. Nick was loved and respected for his sense of humor, kindness to others, unrelenting integrity, breadth of knowledge, love of analytical problem solving, and tireless work ethic. He will be greatly missed by all who knew and loved him, and his time here on Earth was far too short. His life will be remembered at 2 PM, with visitation 1/2 hour before on Thursday, March 27, at the Lakewood Cemetery Chapel, and a reception to follow. Washburn-McReavy Eden Prairie 952-975-0400
