Lindee, Nick Born April 12, 1975. Suicide ended our dear son's life this week. Nick fought depression and alcoholism most of his adult life. Anyone who knew Nick loved him and his sense of humor. He had a love for the outdoors, boating, fishing, hunting, and his beloved jeep. He left this tortured life to find peace at his favorite place on earth, "The Farm." Nick leaves behind his parents, Bob and Jeanne Lindee; sister, Kim (Jon) Hutton; nieces, Kayla and Madison Hutton; grandfather, Bill (Cindy) Lindee; aunts, uncles, and cousins; and brother by friendship, Jeff Carriveau. The suffering Nick felt is over and he has finally found the peace he's been chasing. All our love dear Nick.
