

Nickol Kay Layman

August 10, 1942 - July 29, 2020

Layman, Nickol Kay Zeigler 77. In like a lion, out like a lion. Nicki died on July 29, 2020 after a long battle with Alzheimer's disease. She will be remembered for her magnetic smile, her big and ready laugh, her signature peace sign, and for living with gusto. Nicki took joy in what was around her, especially her family, her critters, and the natural world. She was an adventurer, an improviser, doing things her own way and with her own style. A proud and lifelong liberal, she wore her beliefs on her sleeve, her bumper, and her kitchen cabinets (her views on the last four years are well-known). With her strong sense of independence and endless courage she started her own successful business selling computer cabling. She will be missed by her daughters Lisa, Tamara, and Dreya, her sons in law Jim and Jimmi, her grandchildren Kyra, Finn and Talia, and Sadie, her brother Kent and sister in law Linda, her nieces Jody and Brianna and their families, her nephew Bjorn, her dear friends Karyle and Audrey, and many others she mothered and befriended along the way. She is preceded in death by Prince, Tom Petty, and George Harrison. Memorials preferred to the Humane Society, Black Lives Matter, or the Trevor Project. Nicki believed in moving forward, and we are comforted knowing she is free.
