“ *Nida was always so nice, friendly and smiling. I had cancer toward the beginning of when she did, and we shared encouragement and prayers with each other as well as our husbands being able to share their pain of what we were going through. Our whole family (as well as many neighbors I'm sure) have always enjoyed her beautiful flowers in the front yard. - From Irene Kronschnabel*

“ *What a Beautiful lil Blessings you were to our family especially to my brother Clarence. Thank you Nida for loving him so dearly, I'm grateful for all the fond memories I have of you, and even more grateful for the loving memories he has of you two together.*

All of your gorgeous flower & vegetable gardens. All of your awesome trips with friends and loved ones, oh and lets not forget about all the great food you always had. You are truly missed by everyone who ever knew you.

Keep smiling that beautiful smile and laughing that cute lil giggle that could light up the darkest place & make it Happy.

The love & joy you brought to my brother Clarence, is like no other he would go to the ends of the earth for you, if he thought he could have just one more day.

I know you see him struggling, please let him know you are there with him ,still loving him and helping him through this next chapter of life.

He trusts in our Lord in heaven, that you are with him & free of pain and loving on all the family there. He is going to really need you & God to help him get through this most difficult time. I pray you & God send him comfort and peace in knowing you are ok , and free.

Prayers of comfort for the rest of your family, ours and your friends.

I miss you lil lady, my lil big sister, it's been a blessing knowing you .Please full our yards up with beautiful bright red cardinals letting everyone know you are at Peace, and our gardens a plenty.

God Bless you, rest well until we met again 💕

Luv, your Sister Marilee💕
