

Nikkiya Swantay Robinson

July 20, 1982 - April 7, 2021

Like we all knew Nikkiya was the life of the party, so free spirited she was loved by so many. It hurts that memories are all we have now, she leaves behind 4 daughters that she loved dearly and a loving family, she has family and friends from here all the way down to Gary, Indiana and more. Her death was unexpected and it wasn't her time but being that God has called down for her we are sending her away heavenly and peacefully! Nikkiya would want us all to grieve her death in a positive light as she would for any of us so as hard as it is let's celebrate that she is finally at peace and no longer hurting and going through things in silence. Lastly we all love you Ms.Robinson you will truly be missed rest in roses my love.

Sincerely, your loving daughter
