“ One could say I have known Aunt Nina for a lifetime. A lifetime of service to her family, her nursing patients and our Country during wartime was typical of our Greatest Generation. For myself... she remains a lifelong inspiration.

“ Nina -- some staff referred to her as Mrs. Ahlf -- was the determined, knowledgeable and caring head nurse at Lake Owasso Residence from 1980 or so until her well-earned retirement. So took care of the clients, taught staff such as myself and shared her stories. May she and her beloved husband be at peace.
