“ Yesterday I attended a St. Mary's Academy event only to learn about Nina's passing. During my Senior year (Nina's Junior year) I drove Nina to school every day. Even now she brings a smile to my face just remembering the good times we had. Yes, may she rest in peace.

“ *Nina was always a presence of calm in just about any situation. She was passionate about school and her leadership roll as a blue tie at St. Mary's where I was her fellow blue tie. This information was recently shared and I am sure all of us who were touched by her energy are left with sadness.*
