“Man oh man I miss you so much Dad. I just miss everything about you. Your advice, your love, your voice and your laugh! You had just a great laugh! I miss your prayers the most I think - I knew we were all in them. Hope you can see what's going on here - you would love all the new additions. They all remind me of you! I know Mom and you kissed them before sending them down here. Love you and miss you so much every single day! Crystal
