“ Carole,

*I fondly remember your Mom from Fairview. I'm sorry that living out of town prevented me from attending her service. I was pleased to have a conversation recently ( in March) when we reconnected at Castle Ridge while I was visiting my Dad, Chuck Zimmermann. It brought back a lot of memories of the fun our parents shared at the social gatherings as church friends and also of your Mom's faithful encouragement of others. I came across several cards that my Mom had saved from Norma over the years, as she struggled through various difficult times. So, I am grateful that they were friends. Also, your Mom shared that you talked daily and she was so proud of you and your family. I know that you miss her greatly. The legacy that your parents leave you in memories and Christian upbringing is tremendous.*

*One other connection that I wanted to share is the friendship your Mom shared with my grandmother, Ruby. I know that they shared a love of flowers and your artistic talent. For as long as I remember, Granma Z had a painting of yours of Praying Hands in her living room on Dominick, and now my Aunt Maxine is proud to enjoy it. Well, I wish that I would have had your address to share this in a card, but technology will have to substitute these days.*

*Praying for you and your family for peace and comfort in God's promises,*

*JoAnn (Zimmermann) Murrill*
