“ She was so special!! I Really enjoyed working with her. She was amazing with her memory! We didn't see one another for years, then out of no where she yelled out my name, then would say, it's me "Norma"!! Then the hugs and tears came. She would update me with how she manages to stay out of trouble. She was fun! She was a joy! My heart is heavy with many tears, Love you so much! MARY

“ I have many memories of Aunt Norma. The two that stand out are that she always had so many pictures of her family when they would come to visit and also, "you can't forget the coffee!" Condolences to the family. Barb (Renaux) Swancutt.
