“ We have lived across the street from Norma and Gary for over 30 years. I have 2 great memories of Norma. After we had been in the house a few years, Norma brought over a computer generated note card that was a drawing of our house. She thought we might like to have it. She said now that she knew us she could tell us a little story. She wondered who in the world moved in next door. They must be nuts! See, we closed on June 30 and spent the first night in our new house. We cranked the air conditioner and had a fire. We would joke about that from time to time.

The other memory came when we took the training wheels off our middle daughter's bike. She was mad. She said I ruined her bike and wouldn't go on it. To prove it was fine, I went to ride it. It was an old hand-me-down bike. I started to ride it when I broke the seat off. I almost ended up with the seat post somewhere no one wants it..... I rolled off into the grass to avoid the post. Norma almost fell out of her lawn chair laughing. She did enjoy watching the girls play. Norma was a really neat lady and we were blessed to know her.

Love always, Keith and Luanne Anderson

“ *I first met Norma at the bus garage in EP Schools. I was a driver and she was an assistant on another bus. I never imagined that we would someday be mutual grandparents for 2 wonderful children- This was our true Blessing!!!! She was always generous with letting me swim in her lovely pool. Also-spent many nights at Zach's games - which was another Blessing. She was always kind and caring. We will miss this lovely lady!*
