“ Our first impression of "Grandma" Blanks was her love for everyone. Everyone respected her. She would work all night to give the neighborhood a memorable National Night Out. She was a truly loving, caring, respectable and spiritual lady. She will continue to do her good work in Heaven because that's what she does! Love Bob and Anita Gibson

“ R.I.P Cookie, my prayers to the family, I look back and remember the times spent with her was always a good time, she always embraced me with smiles and hugs, she opened her door with always an offer to feed me something...lol Ricky would be in the yard or truck doing some kind of work ! My sincere condolences to the family and Ricky, Brenda
