I have never heard a laugh like hers and never will. Octavia was funny, outspoken, and fun! She was my stepdaughter and she beautiful. She will be remembered always by my family and all who were lucky enough to know her. She is laughing with the angels now.

“ I will always remember Octavias awesome laugh! She could always make me laugh and smile right along with her! She was always so warm and open. Anytime I was with her I felt important to her. I will always remember dancing with her at my mothers wedding reception. I was so excited to be dancing with a beautiful and "cool teenager"with the MOST amazing hair! My heart is so heavy hearing about her passing. I will be praying for her husband,children,and family as they continue life without her next to them. She was such a beautiful ray of light in this world. I just know that she is shining even brighter up in heaven with the angels. I know we will all see her again one day in a much more lovely place. I love you Octavia. Thanks for being an amazing step sister and friend to me in this life. I will miss you so much,but will see you soon.
