“ We were saddened to learn of Olga's death but are pleased that she had such a long and fruitful life. Olga served as my Secretary/Administrative Assistant for all of the fourteen years that I was Superintendent of Schools in Prior Lake beginning in 1975. She was one of the most capable persons that I have met in a lifetime. She was intuitive, thorough, and detailed in every regard. Olga was also a great daily companion at work where we enjoyed each others tales about our families and activities. God love her and bless her.
