“ Dear Bob, Just received news of Ollie's death! Carol joins me in sending heartfelt condolences to you and your family. It meant a great deal that you and your dad were able to attend Roger's burial in 2011 - 5 years in Sept. that we last saw each other. A lot of years have passed since our families were almost like one. Your dad's life will always be an inspiration to me, and a joy to think that all those many years ago on Hubbard Ave. he was being prepared for this day, when he would meet Jesus face to face! He knew that his feet were planted in Christ's love. You are in my prayers. God bless you and keep you, dear old friend of my youth. Mike
