“ I was so sorry to hear about Omer's death. I am out of town and Chuck Romportl sent me the notice. I met Omer thru the St Joe's choir and always enjoyed talking with Omer. He was one of the first people there to welcome me and make me feel at home. And I never remember his face without a smile... Except when he was concentrating on his next piece of tenor performance. And I always knew when spring was returning... because Omer returned from vacation. My sympathies to his family. I will miss him
