“ *Ordell "Jake" Jacobson. You will always have a special place in my heart. I will always remember you as a poised, polished and gentle man who loved his family and always treated everyone with respect. You were a helluva dancer too! No wonder the ladies were kicking your door down! I have no doubt you are dancing in heaven. Please save a dance for me when it is my turn.*

Thoughts and Prayers to the Jacobson family. hugs...

“ *Jake was a dear friend and I'll miss his phone calls. He and my husband were Navy buddies and it was great to hear them on the phone reliving the good times they had together and always asking if one or the other knew where other Navy pals were. Loved to watch Jake dance as much as he loved doing it! What a wonderful guy!*
