“ Although we didn't keep in touch we certainly shared good times as kids! Whether it be riding Beauty, sliding down the barn roof, picking crab apples & walking to School, going to Nimrod Nimrod for a movie & many numerous days spent together! RIP Orin! My prayers go out to the family at this difficult time!

“ We always had a great time trying to solve the worlds problems and lots of jokes over a cup of coffee and others at Welcyon where he was a club member.
