“ *Orlan opp's I meant Lipp's, I miss you deeply, I watch your body being ravaged by cancer and seeing all the pain you were in part of me is so sad but knowing your in heaven and all your physical is gone for you but it wasn't your time because you were only 54, I love you and I'll help your children as much as I can. Life can be short but you were Bonnie's rock solid husband with a heart as big as gold and you were the man that took extremely good care of Candi and Tabitha, Your presence will be missed by all whom loved you; I'll see you in heaven some day. Thanks for being you love Bobbie.*

*Orlan is now on his Journey
God seen him struggling and so much pain
He wrapped his arms around him oh so gentle ,
He took him back home again.
Many love and prayers to the whole family.
Bonnie this is a struggle but you have such
other beautiful people in front of you that
depend on you.
Love, Aunt Judi*
