“ *I have such wonderful memories of summer Saturday's spent at the cabin on Cedar Lake. There was swimming and fishing and walks down the dirt road and Radar the dog and bon fires and water fights and a guitar and singing. Many good memories. To Brenda, Sandy, David and Brian: my thoughts and prayers are with you. Molly Anderson.*

“ Please except our deepest sympathys in the loss of Owen. He was a dear friend and wonderful dancer. We met him at a polka dance in Ennis, Texas and the friendship flourished very fast. A common bond, Terry and Owen both worked for Burlington Northern RR. From then on every Saturday we were seen together near and far at polka dances wherever they were. He will be sorely missed even tho we haven't seen him and Susan in several years.

“ Dad, I didn't get a chance to say good-bye! When I was little and you took me up to your office, I thought you were most important person in the world because you sat at a big desk. It was at that point that I knew I wanted to be just like you and sit at a big desk too. As I climbed the corporate ladder, you were always the first person I called when I got a raise or a better job. It was important to me that you were proud of me for following in your footsteps! I looked up to you more than you will ever know. I love you with all my heart and I will miss you always! Rest peacefully, dad! Brenda
