“ *Hi Sharon and family'  
My daughter Luann saw Owen's obituary in the paper and called me about it.  
These are going to be hard days and I know your friends will help you through them.  
I will always remember Owen when I see the carved little golfer he did for Ken. It has come through all our moves. (By the way I just moved back to MN)  
May you find peace knowing your friends are there with you!*
