Pammy was born in Crookston, Minnesota and moved to the Cities when she was a young child. She attended Carmen grade school, and graduated from

North High. She attended business school and graduated with a 2 year degree. She started her career with The Bereau of Engraving where she worked for about 12 to 15 years before closing their doors. She then started a career with Entegris, and spent 20 years with them before moving to Steris. Pammy was an amazing person inside and out, and any person who ever came into contact with her knew it. We all know her to say some of the silliest things that would have us laughing so hard the tears would come out. Her smile and contagious laugh was enough to light up an entire room. She was the most kind and generous soul, and was always willing to drop what she was doing for anyone who ever needed her, and she would make sure that you always had what you needed. Pammy enjoyed spending time with her wonderful neighbors, children, grandchildren, family, and friends.

Unfortunately, her short time here on earth is gone, but we all know her soul will remain here with us. She was a true Angel here on Earth, and she is now the best Guardian Angel up in Heaven. She will always be with us. There are truly no words to express how much she will truly be missed.

I was fortunate enough to get to work with Pam for 20 years while she worked for Entegris. It was hard when she left there, but she kept in touch ❤️ Just an incredible loss - thoughts and prayers for her family during this difficult time
