While in Mankato, Pam opened and ran the family business "The Cheese Chalet" at the Mankato Mall in the 1980s as well as the Carroll Insurance

Agency and several other family businesses. Later, Pam moved to the Twin Cities where she was employed as the office manager for Tee Jet Spraying Systems. She became an active member of St. Joan of Arc parish and loved to help plan the annual Cabaret which for many years, her husband Cyril performed in. Coffee with friends before mass each Sunday was one of her favorite things to do. Pam was also a huge support to Cyril's band, The Calypso Monarch's and was their lead "groupie." Volunteering was another important part of Pam's life and she always did whatever she could to help anyone in need.

Most important to Pam were her family and extended family. She thrived on being a grandma! Pam also loved to travel, visiting countries all over Europe as well as Mexico and Trinidad. Well-traveled, Pam's favorite place was Lake Byllesby in Cannon Falls where she made many fantastic memories with her large family and friends.

Pam loved a good party! The best way to celebrate her joyfully, will be in person, sometime in the coming months. A celebration of life will take place in the summer of 2021.

Pam's children would like to thank the Commons on Marice staff and Brighton Hospice, for the excellent care and love they provided during the last years of her journey with Alzheimer's.
