“ Pamela was always a great individual to work with, I know on the days that I came into work she would always greet me with a pleasant "Hi Victoria it's sure nice to see you today!" Every time she would say that with her warm smile and it would just brighten up my day. I appreciated Pam as she would share her passion for music and as a whole the caring heart that she always had. I know Pam would always keep me on my toes about work and making sure that I stay on top of our appointments of which I always appreciated. Pam is an absolute wonderful individual who will be truly missed by many.

Pamela will always remain in my thoughts and prayers; my condolences go out to her friends and family.

*Warmly,
Victoria Seamon
