“ Pamela was my mother in Law. From what I have always heard mother in laws are a pain, But Pam was the best mother in law anyone could have hoped, or even dreamed for. She treated me like I was her own Daughter and I felt like she was my second Mother. I love you Mom and I miss you so much. And I always try to keep purple flowers in the house because it was your favorite color. I have so many good memories about you I block out the bad ones like your battles with cancer. You were always there for me and when we see each other again I will be so happy to run right into your arms for your hugs. I miss you so much it hurts. I think about you every day and I will NEVER forget you. Until we meet again Mom. I love you.
