“ To all of Pat's family, my deepest condolences. I was fortunate to get to know Pat after she became one my mother's (Marilyn Daggett) closest friends in her last years of life. I will remain deeply grateful to Pat whose unfailing kindness, compassion and support as my mother's health declined made it so much easier for me to deal with an extremely hard time in my life. I wish all of you peace and comfort in the years of warm memories of Pat, and hope that she will forever rest peacefully in God's home. "Tonight, when you look up, think of them not as stars, but as porch lights welcoming your loved one safely home."
