“ *We the California Billings (Tim's family) were so saddened to learn of Aunt Patty's passing. We have fond memories of visits with her when we took our annual summer trips to Hurds Acres. The most memorable was in 2008 when we introduced her to our daughter, Emma, who was a year-and-a-half old then. Aunt Patty was so smitten with Emma that she even got down on her hands and knees to play with her. She was such a lovely and kind soul. We shall miss her a lot.*

“ *I didn't get to know Patty as well as I would have liked but I do know that every time I got to see her, she was always incredibly kind, friendly, and cheerful. She was a very warm person and she will be missed.*
