“ How many talks did we have over the 11 years I danced with you? It always was a pleasure..simply put, you have been one of my very favorite people...I admired you so much. I will never forget you...and I will think of you when I pray to The Child of Prague..one of the many things we had in common.

“ You're gone, I'm here, and I don't know what to do. I've lost my best friend and have a deep void that I cannot fill. I never thought having a step-mother would be a wonderful experience, but I was blessed to have you in my life. Thank-you for all of the joy you have brought me and for making "MY DAD'S" life so happy and full. I will take care of him for you and think of you every minute of the day. I love you more than you know!
