“ Our hearts are deeply saddened to hear of Pat's passing.

Pat brought beauty and joy to those she knew. Her artistic abilities found many ways of expression. Sometimes it was played in a song on the piano. Other times it could be seen in flowers on the porch and in the yard at the cottage in Michigan. But more often than not, it could be seen in the pictures she painted or as cartoons in humorous letters.

Pat was a wonderful cook. Over the years many of us had a chance to savor her tasty meals. But the real icing on the cake was found in conversation, laughter, and love shared between Pat and Bill, Tom, Bev, Jim, Bill, Steve and others fortunate enough to be at the dinner table.

Pat's presence will be missed. Her grace, her infectious smile and laugh, and her creativity will be found in the hearts, actions and minds of those she touched.

“ *Pat Bush was a truly lovely person. Always so gracious. Always so happy and kind.*

We will remember her always through the painting that she did for my father that we still have.

We remember how she helped her grandkids paint stones from the lake shore and displayed with pride.

What a gal! Bill....you were a VERY lucky man.
