Patricia Ann Drew

January 16, 1948 - October 11th, 2025

Patricia "Patty" Ann Drew, age 77, of Buffalo passed away peacefully on Saturday, October 11th, surrounded by loved ones.

Patty was born on January 16th, 1948, in Minneapolis, Minnesota, to Ernest and Dorothy (Moore) Drew. She had one brother, William Drew, who preceded her in death. From an early age, she brought energy, laughter, and kindness to everyone around her. She grew up with a deep love for animals, an enthusiasm for tennis, and a natural gift for connecting with people. Patty made friends wherever she went and people from all walks of life loved her.

Patty graduated from Edina Morningside High School in 1966. She was married to Steffen Magnell and later married to Gregg Amundson.

Above all, Patty treasured her family. She was a devoted mother to Christian (Allie) and Margit (Jason), and a proud grandmother to Wesley, Noah, and Maggie (Christian and Allie) and Isabella, Reagan, Gianna, and Axel (Margit and Jason). Her joy and humor will live on in each of them.

That joy and love was also seen with her many pets. During her life, Patty had cats, dogs, a bird, guinea pigs and more. She is survived by her dog Lulu who already misses her tremendously.

Patty's warmth, laughter, and generous spirit touched countless lives. She will be remembered for her bright smile, her love of life, and her unshakable devotion to the people and causes she cared for most.

A Celebration of Life will be held at Peace Lutheran Church, in Baldwin, Wisconsin on Monday, March 23rd, 2026 at 10am. She will be interred at Lakewood Cemetery in Minneapolis, where her parents are at rest.

Her life was a gift to all who knew her, and her love will remain with us always.

“ Hello, I believe Patty just joined the Girls Next Door book club in Buffalo, Minnesota, the week she passed away. Shw seemed absolutely delightful! She took a copy of the book "The Seven Husbands of Evelyn Hugo" with her from a book club kit. I need that book back or will be charged a hefty fine. I'd really appreciate a family member contacting me at Kirsty.smith@charter.net to arrange to get this book back to me. Thank you.

“ Patty was my best friend, we kept in close contact with one another throughout our lives. I met Patty in 7th grade. She was always gracious to everyone she met. She was also extremely funny, loved to laugh, and very loyal. She was proud of her kids and grandkids! She would talk about them frequently with me. I will miss her terribly, but know she is with me in spirit. RIP

“ My partner at Beachside Community Church! Patty brought joy and charisma to our small group and every event we did together. I’ll miss her, but I know God wrapped his arms around her when she got there.
