“ *Dear Ann and Nancy, I wish you fond memories of your mother Pat. I mostly remember both of you as being true friends that were always welcome in my dental practice. I really miss you both - - - your caring smiles and upbeat look at life. I retired in 2008, but friendships never retire! Drop me a note if you can sometime....jrhockin1@gmail.com. I would love to hear from you. Your mother left many blessings behind for all of us still living in this dimension. Now she will bring joy too the next! Jim Hockin*

*I remember Pat from high school. We had been friends for years, every since she moved from Illinois. We continued to be friend after high school but lost coverage some years ago. I'm 95 & thought she might still be with us. Sorry she is not. Fond memories of her from me:
