

Patricia Jane Evensen

October 30, 1931 - February 28, 2024

Patricia J Evensen was born in Madelia Minnesota on Oct 30, 1931 to John and Marion Bumby. Pat and her sister Jackie enjoyed the small town life despite their father John being away for work for long periods of time. She moved with her family to Minneapolis when she was in high school. She attended West High School where she met some life long friends. Pat met her husband, Peter Evensen, while attending the University of Minnesota. She graduated Suma Cum Laude with a Liberal Arts degree. Eventually Pat and Peter settled in St. Louis Park. Pat worked as a Clerical Supervisor at Edina Library; She enjoyed her work and her coworkers. After she retired from the library she traveled with her friends, attended senior classes and lectures at St. Thomas, and spent time with her children and grandchildren. She was an avid reader and dog lover. Pat was always open to new experiences and people. If you needed someone to see a show, a movie, go anywhere (especially if there was music) she was always willing to go. Being born at the tail end of the depression gave her the fortitude to continue on when life became difficult. Above all, she loved her family fiercely.

Survived by sons Robert (Diana) and Dave (Susan), daughter Jean (Chris), 6 grandchildren (James, Ben, Greg, Richard, Kathy, Peter), 5 great grandchildren, 2 great great grandchildren. “ I worked with Pat at the Edina/Eden Prairie Library in the 80s. She was my supervisor and there wasn't a better supervisor--ever. I even spoke to the Library Director about having Pat train other supervisors. She was that good. She loved to hear about your life and share her own stories with you. I had the good fortune to bump in to Pat and her family at a restaurant about two months ago. She was in a wheel chair but still had that sparkle in her eyes and it will be a treasured memory forever. Thanks Pat for sharing your wonderful life with all of the library people. Lin Maki

“ I have many memories of Pat; I lived next door to her for almost 33 years. Pat was an excellent listener but more than that, she was the best conversationalist I have ever known! It was always fun to be around other people when Pat was along. And she had such an interesting personal history starting with the summer when noone was allowed away from home or near water because of the polio epidemic. She and her friends rode street cars everywhere. I loved hearing about the fun she and her sorority sisters had waitressing at Lake Tahoe and how Peter drove out there to make sure some other guy didn't catch her eye. We talked about the books she read, what was going on with her grandchildren and great nieces and nephews. I just love Pat!
