“ *What a positive Force she was. I knew her & Dave through Thursday Musical. We'd despair over finances at Board meetings, but somehow she would calmly state how we could come out okay and not to worry. She and Dave loved coming to the concerts and always had a kind word to say. My condolences to Dave and the rest of her family. I will miss her. Luana Mitchell.*

“ *Pat and Dave have been friends since I married Jerry Enzenauer in 1979. Pat and Jerry grew up as neighbors in Bird Island, MN. I met them during a trip to MN and we just clicked and became good friends right away. We will miss her Christmas letters and, of course, send condolences to Dave.*

“ *Pat and Dave have been friends of mine or over 50 years, first meeting in Miami, FL. Through moves here and there, we kept in touch with Christmas cards, letters, and an occasional phone call. Pat was delightful to know and easy to love. Karen Bieber, Ft. Myers, FL*

“ Pat was a cherished friend and Golden Valley neighbor. After she and Dave move into their house, it was not unusual to see Pat on a ladder AND on the roof painting! She had an abiding faith and she loved music and singing. Pat was accomplished in the art of conversation and she shared many life-stories. She enjoyed their older Cadillacs which served them well on tours of the countryside. Her friendship and humor will be missed.
