“ Dear Louis and family,  
I was so saddened to hear of Patty passing, I've thought of you so often and am holding you in my prayers. I always felt a warmth from her, she really reached out so often to many of those who had difficulties communicating at York Gardens. I especially recall her speaking words of kindness on many occasions to Gladys and Earl in the dining room at meal times. She was very gracious to me and the other caregivers there and met me always with a smile and left me with a "thank you!" I am sorry for your loss, as we all have surely lost kindness and compassion in Patty. Bless you sweet heart, Louis. I am thinking of you and praying for your comfort.

Sincerely,
