

## Patricia Ann Knutson

September 2, 1924 - October 1, 2023

Patricia Knutson

Age 99, of Minneapolis and LaPointe, WI, died peacefully on October 1, 2023.

Animal lover, people person, exuberant spirit, antique collector, martini sipper, good neighbor, Patty was a friend to all. A true child of the depression, she never lost her down-to-earth sensibilities while enjoying a comfortable married and retired life in Minneapolis, San Diego County and on Madeline Island. Patty brightened our lives with much laughter, a welcoming smile and open arms. She is missed! Preceded in death by her husband Austin, survived by son John and grandsons Ben and Charlie. Services will be held in Minneapolis and on Madeline Island in 2024.

“ *Patty will forever be a resident of Humboldt Ave South. She always had a treat for Elton John--or any other dog that she greeted on the corner of Humboldt and Summit Aves.*

*She taught me how to make the perfect martini--just wave the bottle of vermouth over the glass. Gin, not vodka.*

*The picture of Patty captures the life and love that she shared with all!*
