

Patricia Jean Lynch

December 6, 1946 - March 6, 2024

Patricia ("Pat" or "Patty") Lynch Patricia Lynch (nee White) of St. Anthony died surrounded by family on March 6th, 2024, after a decades-long battle with MS. She was 77. Pat graduated from Columbia Heights High School in 1964 and attended the University of Minnesota. She worked for Yellow Cab in Minneapolis, and it was there she met Donald ("Don") Lynch; they married in 1972. She later began a career in insurance, but left the workforce under medical advice after she was diagnosed with MS.

Pat and Don raised four children. Pat was active at St. Charles Catholic church and volunteered for the church and its school. She enjoyed meeting friends to see live music and to play bingo, loved hosting gatherings, and made sure anyone who came to Christmas left with more cookies than was reasonable. Pat was generous with her friends and her children were her world. Pat received her MS diagnosis before treatments existed. She gave her time to participate in research, and much more is known about MS today. She was active with the MS Society and had many friends in that community. She faced progressive bouts of disability, but never let the disease tell her "no". In recent years Pat struggled with health setbacks but she always found reasons to smile.

Pat was preceded in death by her mother Florence, father Louis, sister Marilyn, and daughter Cara. Pat is survived by her husband Donald, children Christopher, Craig (December), Bradley, and Kimberly, grandchildren Sebastian, Griffin, and Easton, brother Michael (Jean) White, sister Joan

White, nieces Christine (Garth) Graves, Dawn (Mark) Koffarnus, Jennifer (Steve) Botsford, Stacey White, nephew Jeffrey (Jennifer) White, and many others.

Mass of Christian burial to be held on Friday, March 15th at Church of St. Charles Borromeo, 2739 NE Stinson Parkway, St. Anthony, MN. Visitation in the atrium at 10, service at 11, luncheon to follow. A family burial ceremony will occur afterwards. Memorial contributions to the National MS Society are welcome.
