“ Patti and I met about 10 or 15 years ago at the MS Center. We became good friends. If she didn't hear from me, she would call me on the phone. Always had a good joke to tell me and we would laugh. We always brought Jesus into our home conversations. If we needed special prayer, she could quote the bible as if she knew it by heart. I introduced Patti to MS Camp and she learned to like it as much as I. I didn't see Patti much lately since I can't drive anymore. She is missed alot. Judy M.

“ *Patti, you have been such a good friend, always full of fun and laughter. You always had a smile. I never heard you complain. You would say, oh well, what can I say.*

*Then you would smile. You are missed and will be until the day we are reunited in the Lord.*

*Ken, and Family. Joe and I will continue to pray for you all in your great loss. We love you, and grieve with you. Love, Joe & Cheryl Healy*

“Patti was a 20 year friend of mine. She was the gift of laughter, joy, and hope. She showed such love for people and prayed and cared for salvation of others. She was a prayer warrior and is finally flying with the king of kings. My sons always said they so respected Patti and Ken for the love they showed to each other and their children. They are a legacy to love and care through it all. Katie said she will miss making brownies with Patti, washing her hair like Patti did in the kitchen sink like Patti did, and she said mom Patti was always glad to excited to see me, Patti was an example of enjoying life thru it all. She will be missed how she was excited about even the littlest things my children did, and how Patti loved to sing, joy thru trials, I hardly remember a day that she was down for long, the strength she had in the Lord and that everything would work out okay she would always say. She has taught me so much. No one lives are the same by knowing Patti and Ken. Thank you for the fun at the state fair and so many things we did, and your love and prayers and examples you gave. You gave so much love and care to others now is our time to show more love, care and prayers to your family. Jesus will say Good job. I will never forget the great love Ken and Patti showed my children and I and we are all deeply touched. Patti you are missed and I will never have a friend like you, but I prayed for you to be healed and you are!!! We miss you but you would tell us you are having fun tugging on Jesus robe. Ken, Jeff, Jamie and Irene we will be praying that God will give you strength and joy even thru this tough time. My family love you all. Justin, Derek, Peter, Katie and Vonnie

“ *I'll always remember Patti for her beautiful smile. Her sense of humor, courage, commitment to the Lord, and persistence are a wonderful legacy. I believe she was joyful in hope, patient in affliction, and faithful in prayer (Romans 12:12). She'll be greatly missed.*
