“ Oh I am sorry to hear this. I barely knew Pat during our work years at IDS. We volunteered together at ARC after retirement for many years. Pat was funny and a hard worker: a joy to be with at Arc. I've often thought of her in the years since

“ Pat grew up in the wonderful little community, Ericsburg, which is 10 miles SW of Intl Falls. I was lucky to have shared that experience with Pat and her great family. Then, by coincidence we each worked at IDS for many years where we would have an opportunity to chat. Great Lady. Condolences to the Mitshulis family.
