“ I was very sorry to hear of Pat's passing. She was a wonderful person and my father Tom Riel was fortunate to have had her as his wife and best friend for so many years. I have a number of their Christmas decorations on display, which I received from Pat and Nancy when I saw the two of them in Surprise just after my father's death. Dad and Pat enjoyed retirement years filled with travel and family, and also used their time together to create beautiful homes in Arizona and on the lake in Minnesota. Thank you, Pat, for all you did for and gave to others during your long and success-filled life.
