“ *When Don and I (Laura) got married, we took our honeymoon trip around the lake and the last place we visited before going home to our apartment was Uncle Kenny & Aunt Patti's house. They made our visit so very special by giving up their bedroom for the honeymooners, and taking us to their club for a very fancy dinner! We felt SO very spoiled and loved! We had so much fun that night. Still a wonderful memory in our hearts of their fantastic kindness to two young kids just married!!* ”
