“ My heart goes out to all who loved Pat. She was such a pillar of strength through all that life has thrown her. She always had a smile on her face. I can truly call her a friend of many years. She will be missed my many. I will still be checking around at Cub the next time I go, we seem to run in to each other often there.

“ Pat was a co-worker and friend. She was a strong ,loving, kind, person. I always had a great respect for her at work and out. She was so loving to her family and dealt with many heatbreaks but was always positive and giving. Her son Kyle and wife and Son-in-law and grandsons will totoally miss her . I pray for your strength during this emotional time. I know she will be present in your heart and mind and her memories will keep her close to you. She will be missed by her friends and we will remember her smiles and kind heart.
