“ Dear Aunt Patty. I will always remember the Clough family Christmas parties and other family parties when I was a child. You were very nice, great sense of humor, smart, quick wits, and great role model. I remember all your smile and how nice you were to me and you always laughed at my jokes. You were great at giving advice to all of us young cousins too. Last year I enjoyed receiving messages from you on Facebook, I wish I would have had more time to finish the Clough family tree with you! I am sad that you are gone and I am glad you had such an amazing life! I loved visiting your lake home with my Dad when I was a teenager. It was one of my best memories and I will always think back to that vacation up north with you, Larry, your kids, Sammy, and other Aunts and Uncles! I feel fortunate to have spent the time I did with you. God bless you and the rest of our Family. Love always Jason :-)
