“ I want to express my sympathy to Carol and the family. When I was a child, I remember thinking of Patrick as my very handsome and bright older cousin.

My favorite memories are of out times at the horse ranch. Both Carol and Pat were so gracious in inviting my family; me, Ron, Peter and Tim out to ride. I really enjoyed riding Lady. Pat was so patient with Ron who had never been on a horse before. It was wonderful to see Aunty Marion in the horse barn brushing horses and even mucking out stalls and having a good time. One special occasion was an invitation to bring out my niece. Faye's daughter, when she was visiting from Arizona.

*I will treasure these and other memories of Patrick and the family,
Love and Prayers, Mary*
