“ Sorry to hear Pat died. He was a classmate at Cretin High School, and well liked.

“ Renee and family,
Pat is among a handful of people in my entire life that made such positive impressions on me. I enjoyed every minute of our discussions when I worked on advertising and PR for US Recordings. And I especially enjoyed our times at the hockey rinks and conversations about life. Pat had this incredible talent of REALLY connecting with me in our conversations. He listened. He talked. We laughed.... a lot. While I hadn't seen Pat in recent years, know that I will miss him. He will always be in my heart. And you will be in my prayers as you all move forward. God Bless you.

“ So sorry to hear of Pat's passing. Always a kind, funny guy. Although it's been many years since I've last seen him, I remember him well. May he rest in peace.

“ So sorry to read about Pat's death. There has never been a more generous and kind person than Pat. In the 20 years I worked for Pat, he and Renee always treated all of us as family and showed genuine concern for us. May he rest in the arms of Jesus.
