I am so saddened to hear of Uncle Pat's passing. I thoroughly enjoyed the times (which were too few) spent with him & Auntie Nancy & their family. My thoughts & prayers are with all the family during this difficult time. Love to all of you! 🥺❤️🥺

Pat was an easy guy to talk with, a great communicator. I remember the fun times we always had with the get togethers for holidays, weddings, births etc. I married into a wonderful family. Pat will be missed by many. May he rest in peace. My prayers are with you All at this difficult time

*Pat was one of the absolute nicest people I have ever known. And so was Nancy. You cannot tell the story of Pat without Nancy. Mr. Donahue (Coach Pat) was kind, soft-spoken, and had a heart of gold. Pat and Nancy shared the same gentle warmth, and together they made their home feel like my second home for many years. Pat's oldest, Mike, was a good friend of mine. Their house was the farthest of any of my friends' homes from where I lived, but for years I still found myself pedaling my bike across town at full tilt to hang out with the family. Mike, Luke, and I played chess and other board games, and sometimes K.C. or others joined in. The whole family would sit together to watch Seinfeld, The Simpsons, Friends, and other great shows of the time. Those were simple, happy times, and they meant a lot.*

*Also, Pat coached Mike and me in basketball during our late elementary and middle school years. He was a caring, compassionate coach who looked out for his team.*

*I am grateful for the time the Donahue family gave and for the examples Pat set. Sending love to Mike, Luke, K.C., and the rest of the Donahue family. Rest in peace, Coach Pat.*
