“ My sincere condolences to Pat's wife, Annie, and his family. Pat and I were classmates at Holy Name Seminary High School - Class of 1974. I have very clear memories of him - tall, lots of curly hair, and a sharp sense of humor. Because of our small class (33 young men) and the fact that we all lived together, we were like a big family of brothers. That is how I remember him. Rest in peace, Pat.

“ I am sorry to hear of the loss of your dear loved one, please accept my condolences during this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that soon "death will be swallowed up forever." It is my hope your family will find the strength to endure during the days ahead.
